# CREDIT APPLICATION

This is not a contract for a loan nor does it lock you into any commitment with a contractor. This is an application that will allow us to proceed with your request for a loan to finance your improvement(s). This will include reviewing your credit history.

Please complete all fields. Incomplete applications will be returned to you for completion. Some applications may require proof of income (such as a recent pay stub, or if self-employed, a copy of your previous years' federal tax return). If additional information is needed, you will be notified of the specific documentation required to process your application. Only residential work that has not been started is eligible for financing. Upon completion of the application, please submit all requested items to:

**Energy Finance Solutions, 431 Charmany Drive, Madison, WI 53719 or fax to 608-249-5788**
