Installer Statement

The Installer hereby certifies, with respect to that certain solar photovoltaic system installed at the address set forth above ("Solar System"), the following:

1. Installation Criteria

- i. Compliance with Sales Contract. Installer warrants that the work and the equipment furnished in this installation job comply with the requirements as outlined in the Installer's Sales Contract.
- ii. Commissioning and Testing. The Solar System, including all components thereof, has been commissioned and tested by Installer.
- iii. Condition. The Solar System is in good working order and condition;
- iv. Compliance with Laws. The Solar System complies with all Applicable Laws; and
- v. No Defects. No material defects or deficiencies were identified as a result of the tests described in subsection (ii).

2. Warranty

Installer warrants that the work and the equipment furnished in this installation job comply with the requirements as outlined in the Installer Participation Agreement with the State of Hawaii and WECC Energy Finance Solutions, and the other named Parties to the Agreement. In the event that any defect in workmanship is discovered within ten (10) years, or defect in equipment is discovered within twenty (20) year after payment authorization, the Installer will remedy, repair, correct, or cause to be remedied, repaired, corrected, or replaced at Installer's expense such defect in equipment or workmanship. The foregoing warranty survives any inspection the State of Hawaii or its agents may elect to make.

3. Lien Waiver

Dealer/Contractor hereby waives and agrees to release any and all lien or claim of, or right, to lien, under laws relating to mechanics liens with respect to and on the property referenced above within 5 business days from the date of signing this Certificate of Completion.

4. Supporting Documentation. The following documents are attached hereto in support of this Completion Certificate:

- Proof of closed building permit
- Executed NEM or DER agreement
- Final contract copy matching approved installation/loan documents
- Solar system inventory, including Solar equipment identification numbers
- Any other documentations included as a pre-funding condition listed on the approval letter

Read the above statements before signing.

Customer Statement

The undersigned hereby certify personal ownership of the home specified above, that all materials and equipment included in the construction contract (work order, job order, bid summary, proposal, invoice, etc.) have been furnished and installed, and that the work has been completed and I am satisfied with work. In addition, we have not obtained the benefit of and will not receive any cash payment, rebate, cash bonus, sales commission, or anything from the contractor as inducement to enter into the Loan Agreement. We also agree to the terms specified in the Loan Agreement and authorize payment to the above installer.

Read the above statements before signing.
